“Great relationships start with Self-Awareness”

## WHAT IS DYNAMIX®

The DYNAMIX® profile is a tool that helps you identify the factors that drive your individual performance. It is driven entirely by your responses to a series of carefully researched statements. It will allow you to identify strengths and opportunities that might exist for improvement. The DYNAMIX® profile is your self-assessment. GENYX believes that ongoing step-by-step development is one of the fundamental keys to superior individual performance and personal growth.
